National Compensation Survey - Benefits produces comprehensive data on the incidence (the percentage of workers with access to and participation in employer provided benefit plans) and provisions of selected employee benefit plans.

Benefits Home Page - Bureau of Labor Statistics

In the United States, the compensation of company executives is distinguished by the forms it takes and its dramatic rise over the past three decades and wide-ranging criticism leveled against it. In the past three decades in America executive compensation or pay has risen dramatically beyond what can be explained by changes in firm size, performance, and industry classification.

Executive compensation in the United States - Wikipedia

Deferred compensation is an arrangement in which a portion of an employee's income is paid out at a later date after which the income was earned. Examples of deferred compensation include pensions, retirement plans, and employee stock options. The primary benefit of most deferred compensation is the deferral of tax to the date(s) at which the employee receives the income.
