In linguistics, grammar (from Greek: ??????????) is the set of structural rules governing the composition of clauses, phrases, and words in any given natural language. The term refers also to the study of such rules, and this field includes phonology, morphology, and syntax, often complemented by phonetics, semantics, and pragmatics.. Speakers of a language have a set of internalized ...

NOTE: I highly recommend this online audio course as another course alternative for Russian.. UPDATE (Feb 2017): Since initially writing this review, RussianPod101.com has significantly improved in terms of its overall quality and content amount. They've since produced A LOT of great new video lessons with their instructor Katya and the user interface has been substantially updated.
