complete plain words 3rd pdf

This is a list of plain English words and phrases and the longer, more cumbersome words they can replace. The problem word is listed first; the plain English alternative follows.. Plain English (or plain language) is communication in English that emphasizes clarity and brevity, and avoids technical language—particularly in official government or business communication.

List of plain English words and phrases - Wikipedia

You should notice that some of the verb forms look the same. You can say they have the same shape. For example, the plain present and the plain form of walk have the same shape. The same is true for the past and the past participle. But these different forms can have different shapes in other verbs.

In addition to interacting with the console, you can also write your code in a text file and send that to R all at once. You can use any good text editor to write your .r scripts. But although a plain text file and a command line is the absolute minimum you need to work with R, it is a rather spartan arrangement.
