The National Joint Committee on Learning Disabilities (NJCLD) 1 strongly supports comprehensive assessment and evaluation of students with learning disabilities by a multidisciplinary team for the identification and diagnosis of students with learning disabilities. Comprehensive assessment of individual students requires the use of multiple data sources.

Comprehensive Assessment and Evaluation of Students With

In the 21st century Canada is often characterised as being "very progressive, diverse, and multicultural". However, Canada until the 1940s saw itself in terms of English and French cultural, linguistic and political identities, and to some extent indigenous. European immigrants speaking other languages, such as Canadians of German ethnicity and Ukrainian Canadians, were suspect, especially ...

Teacher education (TE) or teacher training refers to the policies, procedures, and provision designed to equip (prospective) teachers with the knowledge, attitudes, behaviors, and skills they require to perform their tasks effectively in the classroom, school, and wider community. The professionals who engage in this activity are called teacher educators (or, in some contexts, teacher trainers).
