Comics English: Having Fun Learning English with Comic Strips . We believe that learning English should be fun! Learning English takes time and it's not easy to remain motivated when the materials you use are boring.

Comics English: Having Fun Learning English with Comic

The Schön scandal concerns German physicist Jan Hendrik Schön (born August 1970 in Verden an der Aller, Lower Saxony, Germany) who briefly rose to prominence after a series of apparent breakthroughs with semiconductors that were later discovered to be fraudulent. Before he was exposed, Schön had received the Otto-Klung-Weberbank Prize for Physics and the Braunschweig Prize in 2001, as well ...

Schön scandal - Wikipedia

Electrical and computer engineers develop and create products that change the world and make our lives easier. The cell phones we depend on, the computers used in national security, and the electrical systems that make our cars operate were all created by electrical and computer engineers.
