Property Rights Cooperation Conflict And

Property, in the abstract, is what belongs to or with something, whether as an attribute or as a component of said thing. In the context of this article, it is one or more components (rather than attributes), whether physical or incorporeal, of a person's estate; or so belonging to, as in being owned by, a person or jointly a group of people or a legal entity like a corporation or even a society.

A trademark application that has been declared abandoned is "dead" and no longer pending. Abandonment occurs under several circumstances. The most common reason is when the USPTO does not receive a response to an Office Action letter from an applicant within 6 months from the date the Office action letter was mailed.

Glossary | USPTO

1. Any plant, works, system, facilities, and real property and personal property of any nature whatsoever, together with all parts thereof and appurtenances thereto, which is located within or without the state and which is used or useful in the generation, production, transmission, purchase, sale, exchange, or interchange of electric capacity and energy, including facilities and property for ...
