The EU Prospectus Rules Conference returned for the seventh time to London on 27 September 2016. Bringing together 100 regulators and corporate, banking and funds counsel with leading market experts, the event offered participants a unique opportunity to gain a full update on the latest developments affecting listing, disclosure and transparency in primary market issuance.

IFLR - International Financial Law Review

This Alert summarizes certain key changes to the EU Prospectus Directive (2003/71/EC) which were approved by the EU Parliament on June 17, 2010 (the "Amending Directive"). These changes are the result of several months of discussions among the European Commission, the European Parliament and the European Council and various market participants.

Key Changes to the EU Prospectus Directive

A securities underwriting on a principal basis refers to such a situation where the securities company, according to the underwriting agreement, purchases all of the securities to be offered by the issuer, or purchases all of the unsold securities of the issuer at the end of the underwriting period.

Law of the People's Republic of China on Securities

Standard Chartered Bank (the "Bank") is committed to maintaining a culture of the highest ethics and integrity, and in compliance with all applicable law, regulation and internal policy. As part of this commitment, the Bank has a 'Speaking Up' programme through which genuine concerns in this regard can be raised.
