Prostitution is the business or practice of engaging in sexual activity in exchange for payment. Prostitution is sometimes described as sexual services, commercial sex or, colloquially, hooking. It is sometimes referred to euphemistically as "the world's oldest profession" in the English-speaking world. A person who works in this field is called a prostitute, and is a type of sex worker.

### **Prostitution - Wikipedia**

Prostitution law varies widely from country to country, and between jurisdictions within a country. At one extreme, prostitution or sex work is legal in some places and regarded as a profession, while at the other extreme, it is a crime punishable by death in some other places. In many jurisdictions, prostitution – the commercial exchange of sex for money, goods, service, or some other ...

Introduction. Cultural criminology is a distinct theoretical, methodological, and interventionist approach to the study of crime that places criminality and its control squarely in the context of culture; that is, it views crime and the agencies and institutions of crime control as cultural products or as creative constructs.

The relationship between drugs and crime has a long history and is a mainstay of fiction, widely documented in media reports, and the subject of substantial scientific investigation. Drugs are not always illegal, and their sale and use does not always lead to crime. Nevertheless, drugs and crime are ...

What is criminology? Criminology – is the study of crime, criminal behavior, and the criminal justice system. While this captures the essence of the discipline, there has been considerable debate about what constitutes criminal behavior and how it differs from other behaviors widely held to be socially deviant.
