Theatre - The evolution of modern theatrical production: Underlying the theatrical developments of the 19th century, and in many cases inspiring them, were the social upheavals that followed the French Revolution. Throughout Europe the middle class took over the theatres and effected changes in repertoire, style, and decorum. In those countries that experienced revolutionary change or failure ...

Before I decided to stop writing my 'Movies and Mental Health' blog, I had intended to do a video about the narcissistic mother as portrayed in two different films, Black Swan and The Fighter; in this post, I'll be referring to those films but I won't include video clips. If you haven't seen them, I recommend both movies for their psychological insight into family dynamics and, in ...
