The word "love" can have a variety of related but distinct meanings in different contexts. Many other languages use multiple words to express some of the different concepts that in English are denoted as "love"; one example is the plurality of Greek words for "love" which includes agape and eros. Cultural differences in conceptualizing love thus doubly impede the establishment of a universal ...

According to the APA, intermittent explosive disorder is characterized by angry aggressive outbursts that occur in response to relatively minor provocation. This particular label has an interesting history in successive editions of the DSM. Psychiatry needs illnesses to legitimize medical intervention. And where no illnesses exist, they have no hesitation in inventing them.

Hai is the ultimate expression of militaristic and subservient karate, but no-one who has ever used "osu" is in ANY position to criticise its use. At least the modern use of "hai" serves a considered psychological function, to ensure engagement and to force students to at least stay alert enough to affirm that they are not drifting off to sleep.

The Meaning of "OSS" / "OSU" (+ When You Should NEVER Say It)

The Civil War was the second war for American independence, unfortunately Lincoln dismantled our Constitutional republic and created a corporate democracy that enabled the Wall Street bankers under Rothschilds - Crown Corporation control and corporations to exploit the people to benefit themselves and their posterity.
