Public Theater In Golden Age

Golden age hip hop is a name given to mainstream hip hop music created in the mid/late 1980s and early 1990s, particularly by artists and musicians originating from the New York metropolitan area. It is characterized by its diversity, quality, innovation and influence on hip hop after the genre's emergence and establishment in the previous decade.

Theatre, also spelled theater, in architecture, a building or space in which a performance may be given before an audience. The word is from the Greek theatron, "a place of seeing." A theatre usually has a stage area where the performance itself takes place. Since ancient times the evolving design of theatres has been determined largely by the spectators' physical requirements for seeing ...
