What We Do . The Transit Services Department provides public transportation within the City of Mesa through contractual arrangement with Valley Metro.

### **Transit (Public Transportation) | City of Mesa**

Public transport (also known as public transportation, public transit, or mass transit) is transport of passengers by group travel systems available for use by the general public, typically managed on a schedule, operated on established routes, and that charge a posted fee for each trip. Examples of public transport include city buses, trolleybuses, trams (or light rail) and passenger trains ...
