This Is Hardcore is the sixth album by English band Pulp, first released in March 1998. It came three years after their breakthrough album, *Different Class*, and was eagerly anticipated. In 2013, NME ranked it at number 166 in its list of the 500 Greatest Albums of All Time.

### **This Is Hardcore - Wikipedia**

"This is Hardcore" was (and still is) a dark, textured, and pessimistic album about aging, loss, and failing hopes. If "Different Class" was the all night party, "This is Hardcore" is the morning after. But the strength of Pulp has always been in Jarvis Cocker's songwriting, which makes this album actually stronger than it's predecessors.

The song is also the title track of Pulp's 1998 album, which was a noted change in direction from the breakthrough mainstream success of 1995's *Different Class*. An interview with Jarvis Cocker in *The Observer* in 2002 noted that *This Is Hardcore* the album was "darkly powerful, as good as anything to come out of the confused and confusing pop '90s. It cost Pulp a sizable proportion of their post ...

### **Pulp 'This Is Hardcore' turns 20 - Stereogum**

*This Is Hardcore* is haunted by disappointments and fear -- by the realization that what you dreamed of may not be what you really wanted. Nowhere is this better heard than on "This Is Hardcore," where drum loops, lounge piano, cinematic strings, and a sharp lyric create a frightening monument to weary decadence.

### **This Is Hardcore - Pulp | Songs, Reviews, Credits | AllMusic**

Pulp's third album that anyone gave a shit about, *This Is Hardcore* is also the last album they made that anyone gave a shit about. Their level of having people give a shit about them has been clearly tied to the whole Britpop phenomenon.

Oh this is Hardcore - there is no way back for you. Oh this is Hardcore - this is me on top of you & I can't believe that it took me this long. That it took me this long. This is the eye of the storm. It's what men in stained raincoats pay for but in here it is pure. Yeah. This is the end of the line. I've seen the storyline played out so many ...

I almost don't want to write this review because it is hard for me to be less-than-enthusiastic about Jarvis and his band, but there it is. I was turned on to Pulp during the infamous "Britpop Wars" of the 1990's, when my music buying habits were usually steered by reviews in "Select" magazine and the like.

Pulp This Is Hardcore (Island) The context: Jarvis Cocker watched in bemusement as his band put out one unsuccessful album after another in the '80s. But a funny thing happened in 1995—Pulp became the biggest band in the UK on the strength of the irresistible Different Class, a catchy, witty, class-conscious album that won hearts throughout the land.
