The Good Life Crisis is a project that seeks to find the best answers to the question “What is the Good Life?” After traveling around the world and interviewing hundreds of inspiring people, Nick Shelton has compiled a book based on the best advice he’s received.

### **About the Good Life Crisis**

When we had done so we resolved to engage the men, if we could, to join with those we had, for the pursuing our business; but, on a sudden, they having received not their wages, but their share of the money, as we afterwards learned, not one of them was to be found; we inquired much about them, and at length were told that they were all gone together by land to Agra, the great city of the ...

A motion to compel asks the court to order either the opposing party or a third party to take some action. This sort of motion most commonly deals with discovery disputes, when a party who has propounded discovery to either the opposing party or a third party believes that the discovery responses are insufficient. The motion to compel is used to ask the court to order the non-complying party ...
